

## WeP Peripherals Limited

### Customers Speak

---

#### **Corporation Bank**

“HQ 5300 is working fine with all our applications and we are getting very good support from the Support Centre.”

“We are satisfied with WeP products”

#### **The Ahmedabad District Co-operative Bank Limited**

“WeP conducted 5 days user training for 108 users. We appreciate WeP Peripherals Limited for this since such a program happened for the first time in the history of ADC Bank and through this program a lot of awareness was brought to users.”

#### **The Book Syndicate**

“We are satisfied with the EX 330+ DX.”

#### **Syndicate Bank**

“We are very happy with your printers EX330+ and LX 540 and the prompt services from the authorized service center”

#### **Government of Andhra Pradesh (Police Department)**

“We are happy with the HQ1030+DX and the service provider.”

#### **BSL Ltd.**

“We have been using various WeP printers and UPS since last 4-5 years. We are getting very good service support from your service provider.”

#### **Amadeus India**

“We are using WeP products like LX 800, HQ5300ATP and WeP 80 Column ATP, etc”

#### **Bank of India**

“We appreciate the prompt service support provided by WeP team for maintenance of DMPs and Passbook printers installed at the various branches. Your approach for the support of the peripherals during warranty and AMC periods was excellent.”

#### **Rajasthan Spinning and Weaving Mills Ltd.**

“We have been using WeP DMPs, UPS, etc for a long time. Right now we are using EX2050+, LQ1050+DX Gold, 500VA, 525 VA. We are getting excellent service support from WeP ASP. We appreciate the quality of products and better service of WeP Peripherals Ltd.”
